

Prayer Shawl Knitters

Is anyone interested in starting a group to knit prayer shawls.

This is a ministry where a shawl is knit with prayer and then given to a person who is sick or struggling or a baby who is being baptized so that they may be surrounded by the prayers of their St Andrew's family.

These prayer shawls are a nice way to show someone we care, and can bring comfort for anyone going through any type of difficult situation.

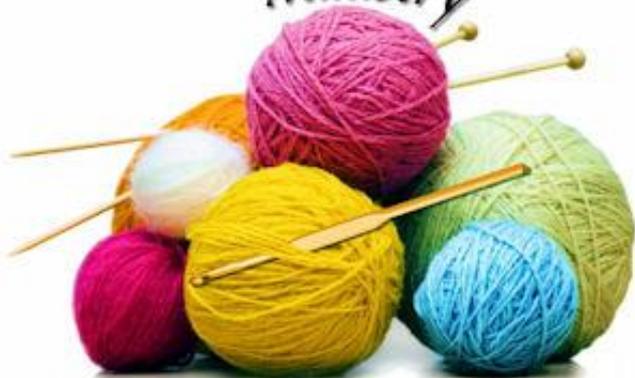

This ministry needs knitters and also donations of yarn (or money used for the purchase of yarn).

I, Stewart, was thinking that we could meet in the JMR-Youth room at the same time the quilters are meeting every Tuesday from 9am to noon.

There are several comfortable chairs in that room and space to work.

If you are interested please contact Stewart via email at stewzal@gmail.com or Rev. Shannon MacLean revshannonmaclean@gmail.com.

Come Join St Andrew's ZOOM Prayer Group

St Andrew's hoping to start a prayer group.

This group would meet once a week via Zoom.

We would create a prayer list by requesting prayers from anyone in our congregation or from the wider community. Prayers can be personal, for a loved one or they can be for situations in the world that we feel would benefit from our prayers i.e. the end to the Ukraine invasion and war; safety of displaced refugees, areas experiencing human-made or natural disasters, etc.

The prayer group would meet weekly, for about 10-15 mins at the most. We will meet on Zoom so we don't even have to leave the comfort of our own home, or look for a meeting place and save \$ on gas. Initially, I am willing to keep and update the prayer list as well as share it and the link for Zoom each week. I can set up the prayer program that we can follow each week, and if you are comfortable we can take turns reading the prayers each week.

Anyone interested can email me at stewzal@gmail.com or contact Rev. Shannon MacLean revshannonmaclean@gmail.com.
